

Children engaged in drawing, talking ...

Workshops

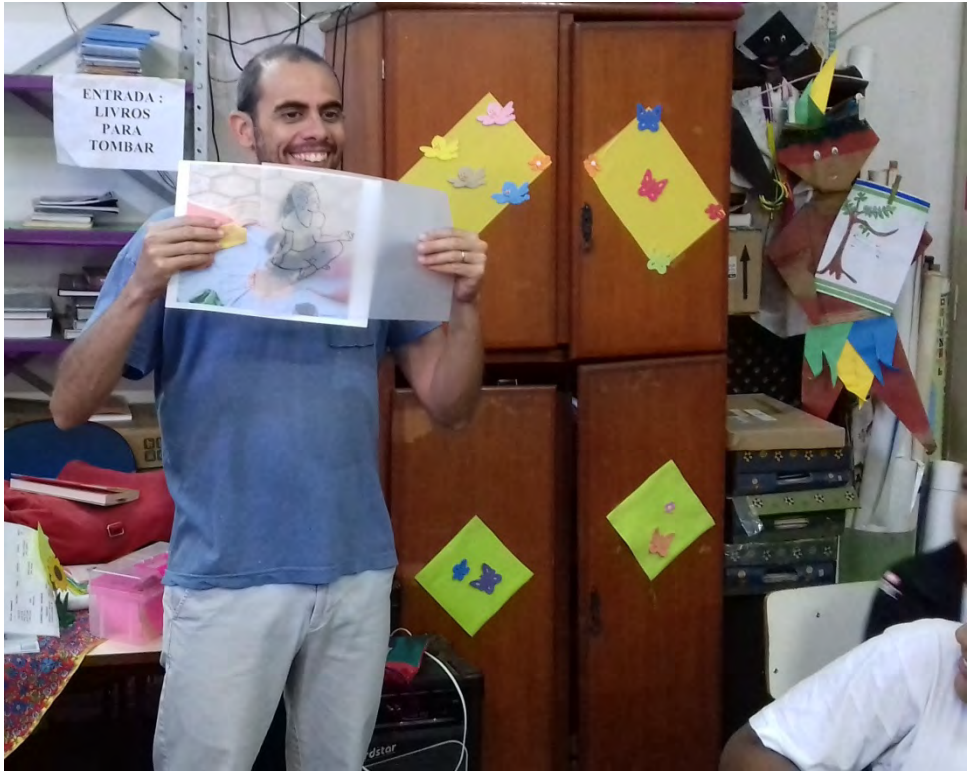

Older children instructing younger ones “You may draw anything you like, even a giraffe!”

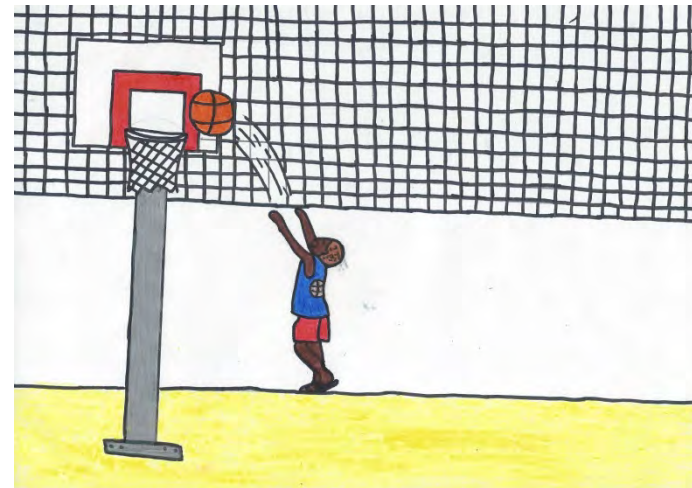

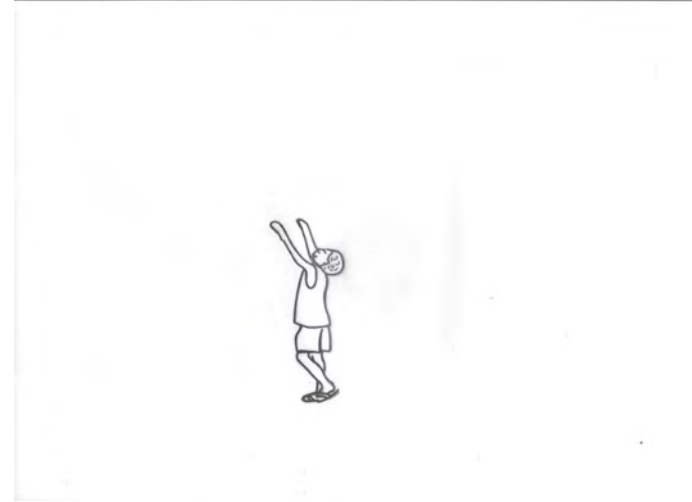

For example, I draw a scene in Japan...”

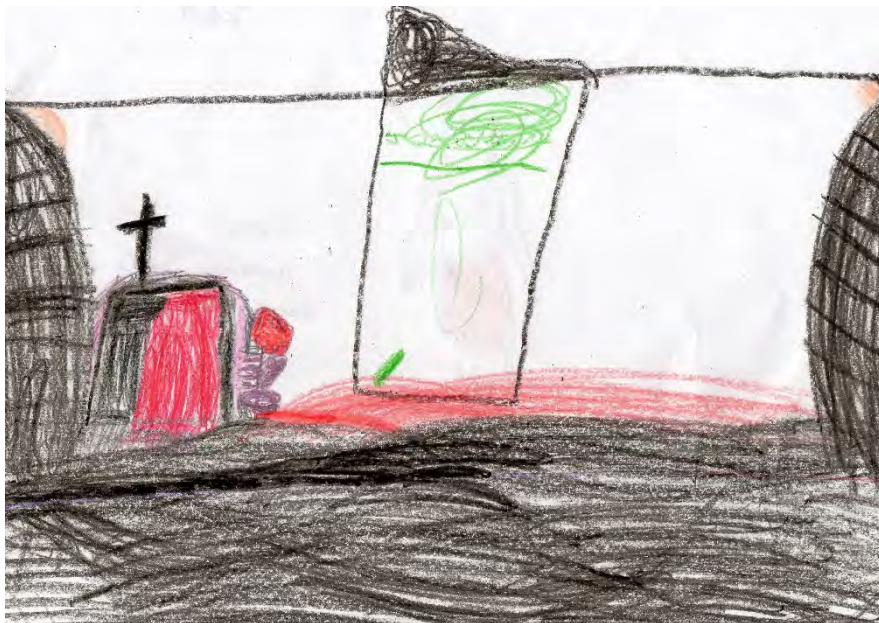

Original photographs revealed

Remarks by children 4-8

Cassia: he is asking God for a friend.

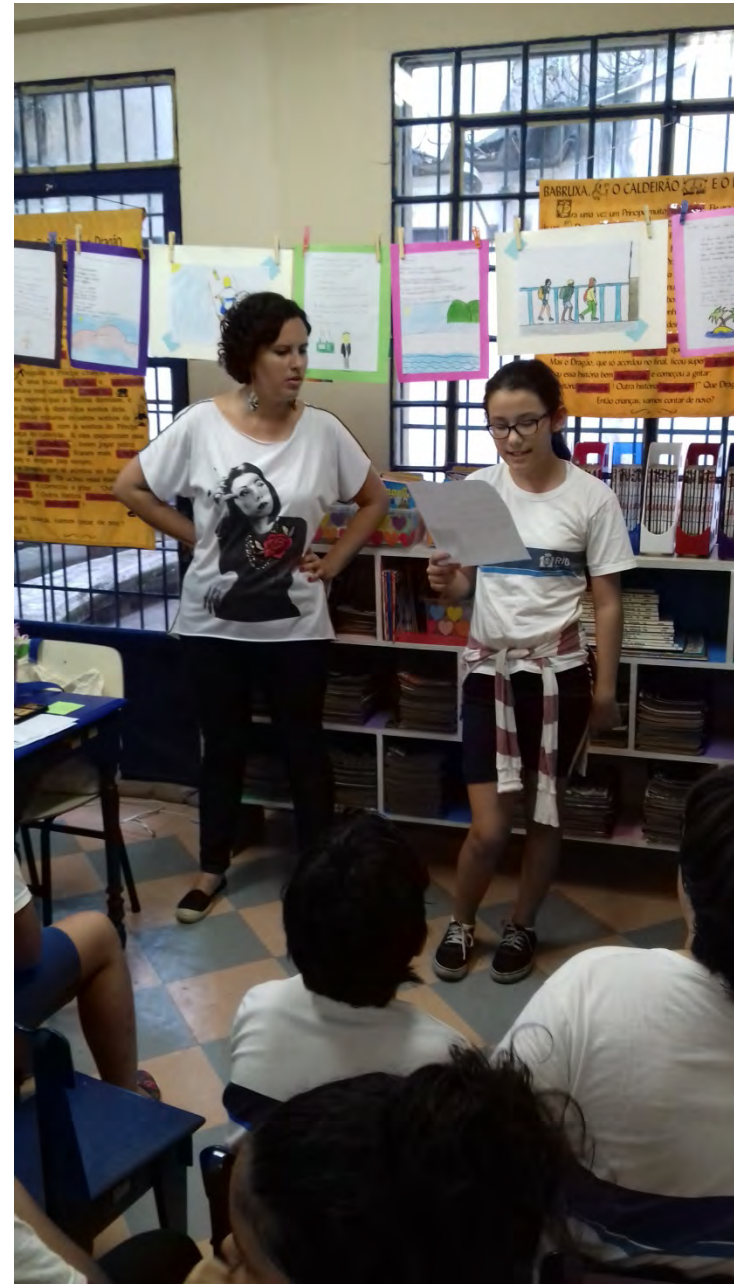

Isabella: a girl, the mother and the grandmother. A boy in a bicycle.

Joana: a church. A boy not wearing his shirt. The pastor expelled him.

Exhibitions 2017

Analysis

Preliminary observations:

- Recurrent themes
- What they have to say about their city and places familiar to children
- What surprised them and others involved
- Everyday scenes
- Interactions (all participants)
